## 92 POINTS

*Editor's Choice*

"It's a joy to experience with loads of raspberries and cherries, hints of mushrooms and cola, crisp acidity and enriched with a touch of sweet, smoky oak. The alcohol is nice and moderate." – *August 2013*

## "Napa Wine Producers We Love"

"Soon after it was created by David Graves and Dick Ward in 1981, Saintsbury helped prove that Carneros, with its warm afternoons and cool breezes, was ideal territory for Pinot Noir and Chardonnay. Recent vintages have shown new finesse under winemaker Jerome Chery, an alum of cult producer Littorai." – *January 2013*
